She's wild and she's free  
That's what I like most about her  
She's all that I need  
And I know I can't live without her  
To be by her side I'd walk any line  
I'm bound and determined  
She's gonna be mine but

She's got a mind of her own  
And I've got to make her see  
She needs a man to be strong  
Who's not afraid to hold her tenderly  
I know where her heart belongs  
But she's got a mind of her own

I don't want to change her  
I'd die before I'd break her spirit  
But she is the flame  
And my soul longs to be near it  
I'm making a vow, I'm staking my claim  
I'd pay any price, I'd give anything but  
She's got a mind of her own  
And I've got to make her see  
She needs a man to be strong  
Who's not afraid to hold her tenderly  
I know where her heart belongs  
But she's got a mind of her own

She's got a mind of her own  
And I've got to make her see  
She needs a man to be strong  
Who's not afraid to hold her tenderly  
I know where her heart belongs  
But she's got a mind of her own
