Remember that 65 Mustang
That I bought in 74
I used to like to take you driving
And get lost on those old dirt roads
We'd pull off on the side
And then I'd hold you tight
Let's do that tonight

Come on and kiss me in the car
Kiss me in the car, yeah.

Now we can sit out in the driveway
Do it the right way
From the heart
Let me take you back
And we'll find that same ole star

Come on and kiss me in the car
Kiss me in the car, yeah.

Come on and kiss me in the car
Kiss me in the car
Kiss me like you used to, baby

Now that old rusted out Mustang
Sitting up in the garage
Seems the only time you kiss me
Is when I'm heading for my job
I called you to say
We need to have a day
Baby it ain't too late

Come on and kiss me in the car
Kiss me in the car, yeah.

Come on and kiss me in the car
Kiss me in the car, yeah.
