Come stop your crying it will be all right
Just take my hand, hold it tight
I will protect you from all around you
I will be here, don't you cry

For one so small, you seem so strong
My arms will hold you, keep you safe and warm
This bond between us, can't be broken
I will be here, don't you cry

'Cause you'll be in my heart, yes, you'll be in my heart
From this day on, now and forever more
You'll be in my heart, no matter what they say
You'll be here in my heart, always

Why can't they understand the way we feel
They just can't trust but they can't explain
I know we're different but deep inside us
We're just the same, so don't you cry

'Cause you'll be in my heart, yes, you'll be in my heart
From this day on, now and forever more

Don't listen to them 'cause what do they know
We need each other to have and to hold
They'll see in time, I know
We'll show them together

'Cause you'll be in my heart, you'll be in my heart
From this day on, now and forever more
Yes you'll be in my heart, no matter what they say
You'll be here in my heart, always, always
