

## Creation Is Crucifixion "Buried Alive"

Visit "[Buried Alive](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I Forever Dream Within A Dream  
Of A Certain City In The Sea  
As I Walk The Valley Of Unrest  
Behind This Mask Of Crimson Death  
I Long For A Loss Of Breath  
And A Most Dire Predicament  
Murders In The Rue Morgue  
Silence And Shadow's What I Adore  
I Cant Explain Jsut How It Feels  
The Thought Of My Premature Burial  
Inside This Oblong Box I Lie  
With The Hopes I'll Be Buried Alive  
The Oval Portrait Upon The Wall  
Will Someday Cause This House To Fall  
The Power Of Words Left Unsaid  
As I Join The Spirits Of The Dead  
I Can't Explain Just How It Feels  
The Thought Of My Premature Burial  
Inside This Oblong Box I Lie  
With The Hopes I'll Be Buried Alive  
Well, I'm The Man Who's Used Up

Washed Up

Bricked Up

Descent Into Maelstrom

Bedlam

Redrum

Bet The Devil My Head

Misled

Bloodshed

Heart Under The Floorboards

Beats For

Lenore

Nevermore

I Cant Explain Just How It Feels

The Thought Of My Premature Burial

Inside This Oblong Box I Lie

With The Hopes I'll Be Buried Alive
