Rock the party with your hottie bodies [x8]
Rock the party with your hottie body!

Sitting in an electric chair
Oh too scared to go nowhere
Sitting in an electric chair
Oh too scared to go nowhere

Set me free
Set me free
Won't you won't you set me free?

I'm too scared
You're too scared
He's too scared and she's too scared

Sitting with the hands tied
A chicken with the brain fried
Sitting with the hands tied
A chicken with the brain fried

Set me free
Set me free
Won't you won't you set me free?
Set me free
Set me free
Won't you won't you set me free?
Free me, free me, free me, free me now!

I need a holiday, I need it with my pay
Pay up!

Sitting in a birdcage
Working for a small wage
Sitting in a stale maze
Dreaming of a holiday

Well, I'm just thinking 'bout the master plan
How to get out from underneath the thumb of the man
Because all I have is a bucket of schemes
Pullin'on the teat to collect-a my cream

Set me free
Set me free
Won't you won't you set me free?
Set me free
Set me free
Won't you won't you set me free?

I need a holiday, I need it with my pay
Pay up!
