These hands  
They shake  
I swear I must be cursed  
This brain  
It aches  
Any moment it might burst

Save your soul  
Don't stop, they're gaining on you  
Heads will roll  
Don't quit, they're gonna' get you

This pulse  
It speeds  
My nerves have all been fried  
This heart  
It beats  
Forever out of time

Save your soul  
Don't stop, they're gaining on you  
Heads will roll  
Don't quit, they're gonna' get you

Fade in to an empty road  
Rain is pouring on the scene  
Lightning strikes across the sky  
Pray this is a hellish dream

Apparitions manifest  
Poltergeists and entities  
Unseen malignant threats  
They are catching up to me

It was a dark and stormy night  
Pins and needles down your spine

Shadows are alive with shapes  
Nameless beasts of long lost lore  
The forest stirs, ready to pounce  
Feel the darkness at your door

Ethereal revenants  
Phantasms and deities  
Bloodthirsty spawns of hell  
Try to get their claws in me

It was a dark and stormy night  
Pins and needles down your spine

Dead eyes  
They stare  
From out beyond the trees  
The sound  
It stings  
Like a nest of angry bees

Save your soul  
Don't stop, they're gaining on you  
Heads will roll  
Don't quit, they're gonna' get you

Bared teeth  
They gleam  
Approaching from behind  
Those claws  
Dig deep  
The results are most unkind

Save your soul  
Don't stop, they're gaining on you  
Heads will roll  
Don't quit, they're gonna' get you

Fade in to an empty road  
Rain is pouring on the scene  
Lightning strikes across the sky  
Pray this is a hellish dream

Apparitions manifest  
Poltergeists and entities  
Unseen malignant threats  
They are catching up to me

It was a dark and stormy night  
Pins and needles down your spine

Shadows are alive with shapes  
Nameless beasts of long lost lore  
The forest stirs, ready to pounce  
Feel the darkness at your door

Ethereal revenants  
Phantasms and deities  
Bloodthirsty spawns of hell  
Try to get their claws in me

It was a dark and stormy night  
Pins and needles down your spine

Be careful or you soon shall find  
That this life has long passed you by  
Rigor mortis it seems  
Has crept up your sleeves  
And dried up your quivering mind

Be cautious or you soon shall find  
The angels have long left your side  
Your body's grown cold  
Flesh drips from bones  
And memory buried in time

Do not  
Let those  
Fiends  
Take you alive

Fade in to an empty road  
Rain is pouring on the scene  
Lightning strikes across the sky  
Pray this is a hellish dream

Apparitions manifest  
Poltergeists and entities  
Unseen malignant threats  
They are catching up to me

It was a dark and stormy night  
Pins and needles down your spine

Shadows are alive with shapes  
Nameless beasts of long lost lore  
The forest stirs, ready to pounce  
Feel the darkness at your door

Bloodthirsty spawns of hell  
Try to get their claws in me

It was a dark and stormy night  
Pins and needles down your spine
