### "Threat Of Love"

It's a poison  
That slowly drips  
It's a world of cruelty  
On your lips  
Like a killer on the run  
Like a kiss from a gun  
It's a threat of love  
Threat of love

It's a heartache  
To traumatize  
It's a touch of darkness  
In your eyes  
Like a killer on the run  
Like a kiss from a gun  
It's a threat of love  
Threat of love

It's a life  
On a bed of roses  
It's a life  
On a bed of nails  
It's a life of hell  
If you live to tell  
It's a threat of love  
Threat of love

Cold like a kiss from a gun  
Cold like a day without sun  
Cold how my heart grows cold  
Under the threat of love

Love goes dark  
In the shadow of your heart  
Love goes cold  
In the winter of your soul  
It's a chilling revelation  
It's a ticket to damnation  
It's a reason for retribution  
As you pray for absolution  
Like a lonely phantom calling

Like an angel when he's falling  
Like a killer on the run  
Like a kiss from a gun  
It's a threat of love  
Threat of love

Afraid of love  
Afraid of love  
And all the things that are made of love

Threat of love  
It's the end of love
