When dreaming I'm guided through another world

Time and time again

At sunrise I fight to stay asleep

'Cause I don't want to leave the comfort of this place

'Cause there's a hunger, a longing to escape

From the life I live when I'm awake

So let's go there

Let's make our escape

Come on, let's go there

Let's ask can we stay

Can you take me higher?

To a place where blind men see

Can you take me higher?

To a place with golden streets

Although I would like our world to change

It helps me to appreciate

Those nights and those dreams

But, my friend, I'd sacrifice all those nights

If I could make the Earth and my dreams the same

The only difference is

To let love replace all our hate

So let's go there  
Let's make our escape  
Come on, let's go there  
Let's ask can we stay?  
Can you take me higher?  
To a place where blind men see  
Can you take me higher?  
To a place with golden streets  
So let's go there, lets go there  
Come on, lets go there  
Let's ask can we stay?  
Up high I feel like I'm alive for the very first time  
Set up high I'm strong enough to take these dreams  
And make them mine  
Set up high I'm strong enough to take these dreams  
And make them mine  
Can you take me higher?  
To a place where blind men see  
Can you take me higher?  
To a place with golden streets  
Can you take me higher?  
To a place where blind men see  
Can you take me higher?  
To a place with golden streets
