At times the world is wicked and I just can't see the
light
A silver lining sometimes isn't enough
To make some wrongs seem right
Whatever life brings
I've been through everything
And now I'm on my knees again

But I know I must go on
Although I hurt I must be strong
Because inside I know that many feel this way

Children don't stop dancing
Believe you can fly
Away...away

At times life's unfair and you know it's plain to see
Hey God I know I'm just a dot in this world
Have you forgot about me?
Whatever life brings
I've been through everything
And now I'm on my knees again

But I know I must go on
Although I hurt I must be strong
Because inside I know that many feel this way

Children don't stop dancing
Believe you can fly
Away...away

Am I hiding in the shadows?
Forget the pain and forget the sorrows
Am I hiding in the shadows?
Forget the pain and forget the sorrows

But I know I must go on (Go on)
Although I hurt I must be strong (Be strong)
Because inside I know that many feel this way (Feel this
way)

Children don't stop dancing
Believe you can fly
Away...away

Children don't stop dancing
Believe you can fly
Away...away

Children don't stop dancing (Am I hiding in the shadows)
Believe you can fly (Forget the pain and forget the sorrows)
Away...away (Am I hiding in the shadows?)

Am I hiding in the shadows?
Are we hiding in the shadows?
