The mouths of envious  
Always find another door  
While at the gates of paradise  
They beat us down some more

Our mission's set in stone  
'Cause the writing's on the wall  
I'll scream it from the mountain tops  
Pride comes before a fall

So many thoughts to share  
All this energy to give  
Unlike those who hide the truth  
I tell it like [Incomprehensible]

If the truth will set you free  
I feel sorry for your soul  
Can't you hear the ringing  
'Cause for you the bell tolls?

I'm just a freedom fighter, no remorse  
Raging on in holy war  
Soon there'll come a day  
When you're face to face with me

Face to face with me  
Face to face with me  
Face to face with me

Can't you hear us coming?  
People marching all around  
Can't you see me coming?  
Close your eyes, it's over now

Can't you hear us coming?  
The fight has only just begun  
Can't you see we're coming?

Can't you see we're coming?  
Can't you see we're coming?  
Can't you hear me coming?

I'm just a freedom fighter, no remorse  
Raging on in holy war  
Soon there'll come a day  
When you're face to face with me

Freedom fighter, no remorse  
Raging on in holy war  
Soon there'll come a day  
When you're face to face to  
Face to face to face to face with me
