In love, i find that i feel

So alone thinkinh of you  
Time and time i waste  
Just sitting thinking of you  
It's no better to be apart  
Feel the pain inside my heart  
I cry in silence inside  
To hide the hurting inside

Chorus: I don't wanna give myself away  
Just to be with you all the time  
I just wanna have you here  
With me by my side, tonight

In power, i used to live  
Just to believe i can make it through  
These days ilive in time  
I will leave the past behind

Repeat chorus

Solo

Repeat chorus (4x)
