I took a walk around the world
To ease my troubled mind
I left my body laying somewhere
In the sands of time
I watched the world float
To the dark side of the moon
I feel there is nothing I can do, yeah
I watched the world float
To the dark side of the moon
After all I knew it had to be
Something to do with you
I really dont mind what happens now and then
As long as youll be my friend at the end
If I go crazy then will you still
Call me superman
If Im alive and well, will you be
There holding my hand
Ill keep you by my side
With my superhuman I ain't
Kryptonite
You called me strong, you called me weak,
But still your secrets I will keep
You took for granted all the times
I never let you down

You stumbled in and bumped your head,

If not for me then you would be dead
I picked you up and put you back
On solid ground
If I go crazy then will you still
Call me superman
If Im alive and well,
Will you be there holding my hand
Ill keep you by my side
With my superhuman I ain't
Kryptonite
Yeah!!
If I go crazy then will you still
Call me superman
If Im alive and well, will you be there
Holding my hand

Ill keep you by my side
With my superhuman I ain't
Kryptonite
