Hello my friend we meet again,  
it's been awhile, where should we begin,  
feels like forever,  
within my heart a memory,  
a perfect love that you gave to to me,  
oh I remember.

Chorus:

When you are with me, I'm free,  
I'm careless I believe,  
Above all the others, we'll fly,  
this brings tears to my eyes,  
My sacrifice.

We've seen our share of ups and downs,  
oh how quickly life can turn around,  
in an instant,  
it feels so good to reunite,  
within ourselves, and within the light,  
Let's find peace there.

Chorus

I just want to say hello again,  
I just want to say hello again,

Chorus 2 times

my sacrifice (I just want to say hello again.)  
I just want to say hello again.
