Can you help me out? can you let me in?  
It's safe to say that, I'm stuck again  
Trapped between this life and the light  
I just can't figure out, how to make it right

A thousand times before  
I've wondered if there's something more  
Something more

Chorus

I feel it's gonna rain like this for days  
Let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
With every tomorrow brings another life  
I feel it's gonna rain, for days and days  
I feel it's gonna rain

I tried to figure out, I can't understand...  
What it means... to be whole again...  
Trapped between the truth and the consequence  
Nothing's real, nothing's making sense...

A thousand times before  
I've wondered if there's something more  
Something more

Chorus

I feel it's gonna rain like this for days  
Let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
I feel it's gonna rain like this, rain like this, rain like this!

Bridge

Fall down wash away my yesterdays  
Fall down so let the rain fall down on me

Chorus

I feel it's gonna rain like this for days  
Let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
I feel it's gonna rain like this, rain like this

I feel it's gonna rain like this  
Rain like this  
I feel it's gonna rain like this  
I feel it's gonna rain
