This is not about age
Time served on the earth
Doesn't mean you grow in mind
Grow in mind

This is not about God
Spiritual insinuations seem
To shock our nation
Our nation, yeah

Come with me, I'm fading
Underneath the lights
Come with me, come with me
Come with me now

This is not about race
It's a decision to stop the
Division in your life
In our lives

This is not about sex
We all know sex sells and
The whole world is buying
Were buying, yeah

Come with me, I'm fading
Underneath the lights
Come with me, come with me
Come with me now

Can't you see the signs?
See the signs now
Can't you see the signs?
See the signs now

Can't you see the signs?
See the signs now
Can't you see the signs?
See the signs now

Can't you see the signs?
See the signs now

Can't you see the signs?
See the signs now

Yeah, come on
See them, yeah

Come with me, I'm fading
Underneath the lights
Come with me, come with me
Come with me now

Can't you see them?
See the signs, you see them
All the signs, we see them

Can't you see them?
See the signs, you see them
All the signs, we see them
