A nature to nurture
An instinct to sin
What's underneath
The skin you live in
You trade your unlimited
Your precious creation
You will submit
You will get it

Suddenly I have no strength at all
So suddenly hit with all I've lost
Suddenly my world, is falling apart
So suddenly so suddenly
Suddenly

You say you're a victim
But that's just a symptom
You're so very clear
You volunteered
Why are you fighting just stop your denying
Own up to the sin
You bury within

Suddenly I have no strength at all
So suddenly hit with all I've lost
Suddenly my world, is falling apart

So suddenly so suddenly
Suddenly

I have no strength at all
I've been hit with a loss
So suddenly my world falls apart
I have no strength at all
I've been hit with a loss
Suddenly my world falls apart
My world, falls apart

Suddenly I have no strength at all
So suddenly hit with all I've lost
Suddenly my world, is falling apart
So suddenly so suddenly

Suddenly

Suddenly I have no strength at all
So suddenly hit with all I've lost
So suddenly hit
So suddenly hit
Suddenly my world falls apart
So suddenly so suddenly
Suddenly
