Hurray for a child  
That makes it through  
If there's any way  
Because the answer lies in you  
They're laid to rest  
Before they know just what to do  
Their souls are lost  
Because they  
Could never find

What's this life for  
What's this life for  
What's this life for

I see your soul, it's kinda grey  
You see my heart, you look away  
You see my wrist, I know your pain  
I know your purpose on your plane

Don't say a last prayer  
Because you could never find

What's this life for  
What's this life for  
What's this life for  
What's this life for

But they ain't here anymore  
Don't have to settle the score  
Cause we all live  
Under the reign of one king

But they ain't here anymore  
Don't have to settle no God damn score  
Cause we all live under the  
Reign I said you know of

One king  
One king  
One king

But they ain't here anymore

Don't have to settle no god damn score  
Cause we all live  
Under the reign  
I said you know of

One king  
One king  
One king

But they ain't here anymore  
Don't have to settle no god damn score  
Cause we all live under the reign of of one king
