Run, hide, all that was sacred to us  
Sacred to us, see the signs  
The covenant has been broken by mankind  
Leaving us with no shoulder, with no shoulder

To rest our head on  
To rest our head on  
To rest our head on

Who's got my back now?  
When all we have left is deceptive?  
So disconnected  
What is the truth now?

What is the truth now?

There's still time, all that has been devastated  
Can be recreated, realize  
We pick up the broken pieces of our lives  
Giving ourselves to each other, ourselves to each other

To rest our head on  
To rest our head on  
To rest our head on

Who's got my back now?  
When all we have left is deceptive  
So disconnected  
What is the truth now?

Who's got my back now?  
When all we have left is deceptive  
So disconnected  
What is the truth now?

What is the truth now?  
Tell me the truth now  
What is the truth now?

What is the truth now?  
Tell us the truth

Who's got my back now?  
When all we have left is deceptive  
So disconnected  
What is the truth now?

Who's got my back now?  
When all we have left is deceptive  
So disconnected  
What is the truth now?

What is the truth now?  
Tell us the truth now  
What is the truth now?  
Tell us the truth now  
Tell me the truth now
