There are times when I look in your eyes  
I see the love that we shared  
I see the joy inside  
But I didn't see the feelings you hide  
And now you're saying goodbye  
Because your love has died

And all I can think about is you  
The way you say you love me too  
And everytime I close my eyes I see your face  
My love can never be erased  
And you can never be replaced... baby

Baby girl  
Why don't you come back to me  
Why don't you love me anymore  
Baby girl  
You know I still care for you  
You know I will love you forevermore... (2x)

There are times  
When I kiss you goodnight  
I feel the love that we shared  
I feel the joy inside

But I didn't feel what you tried to hide  
And now you're saying goodbye  
Because your feeling has died

And all I can think about is you  
The way you say you love me too  
And everytime I close my eyes I see your face  
My love can never be erased  
And you can never be replaced... baby

Baby girl  
Why don't you come back to me  
Why don't you love me anymore  
Baby girl  
You know I still care for you  
You know I will love you forevermore... (2x)

And all I can think about is you  
The way you say you love me too  
And everytime I close my eyes I see your face  
My love can never be erased  
And you can never be replaced... baby
