She work at Benihana and the Â... round the corner  
TryinÂ' to pay her way through college  
So she can graduate with honors  
She down in a limo, I think she live off Heat Street  
But she drive a Corolla, this girl is a super freak  
She got a big ole booty, yeah sheÂ's a cutie  
36 Â- 24 Â- 48 beauty  
Hair done, nails done, yeah she the shit  
AinÂ't nobody fucking with her shit  
She get it from her momma  
She get it from her momma  
She get it from her momma  
She get it from her momma  
Those hips, those damn tits  
Get it on, oh hell yeah, she the shit  
She get it from her momma  
She get it from her momma  
Girl youÂ're working with the pass hey  
YouÂ're bad hey making niggas finish cash hey  
ItÂ's last day  
She like it in the morning, she like it in the evening time  
She said she independent  
Yeah, you know that sheÂ's beyond her crime  
She keep her bills paid on time  
Because she got it she donÂ't need mine  
I just do it Â'cause I wanna  
Real talker I real want her  
Plus she got a big ole booty, yeah sheÂ's a cutie  
36 Â- 24 Â- 48 beauty  
Hair done, nails done, yeah she the shit  
AinÂ't nobody fucking with her shit  
She get it from her momma  
She get it from her momma  
She get it from her momma  
She get it from her momma  
Those hips, those damn tits  
Get it on, oh hell yeah, she the shit  
She get it from her momma  
She get it from her momma  
Girl youÂ're working with the pass hey  
YouÂ're bad hey making niggas finish cash hey  
ItÂ's last day

Iâ€™m a pick her up in the truck  
She canâ€™t fit her that ass in the car  
Enough said  
Hold up, what the fuck  
She canâ€™t fit in the front  
Iâ€™m a put it in the trunk  
But Iâ€™m a get it while the gettingâ€™s good  
Like any nigga would  
Just started screaming my name  
Gets to bag it up like â€¦  
I got my two dogs and we gave her a tea bag  
Those hips, get them tits  
Get it on, oh hell yeah, she the shit  
Bet it on to quit  
But donâ€™t be acting like before Madonna came out  
Primadonna  
She get it from her momma  
She get it from her momma  
She get it from her momma  
She get it from her momma  
Those hips, those damn tits  
Get it on, yeah, she the shit  
She get it from her momma  
She get it from her momma  
Girl youâ€™re working with the pass hey  
Youâ€™re bad hey making niggas finish cash hey  
Itâ€™s last day
