You're just a fucked up kid and no one ever  
Gives you a break, just a fucked up kid but  
How much more can you take of the constant  
Rejection looking for love and affection.  
But no one will look at you - laughed at by  
Your peers when you tell them your ideas,  
They're just taking out their insecurities  
On you...  
You're just a fucked up kid and no one ever  
Gives you a break, just a fucked up kid but  
How much more can you take of the day to day  
Frustration filling out job applications-  
But no one will hire you. It's pretty hard  
To survive when no one knows that you're  
Alive. Think no one cares about you,  
But I do...
