"Wake Up"

Wake up in the morning, smoke that cigarette, yum!
Wake up in the morning, drink that cup of coffee, yum!
Turn on early morning news, stories about children
addicted to marijuana.
Oh no!

Got to get to work! Oh, my God! Oh, no! I gotta get my
fix, I'm a junkie!

Don't want to live in the world of a straight man.
Don't want to live in the world of a junkie man.
Don't want to live with a needle in my arm.
Don't want to have to piss in a can.

Why can't they realize everyone's addicted to
something?
T.V., drugs, or medicine.
Love or hate attention.

A choice made only by yourself.
Nor for you by anyone else.
Everyone's got something to hide,
But it's okay as long as you feel love inside!
