Upon the wings of the Dragon  
I travel the serpentine path  
Into the Nocturnal Forest  
I enter the shadows of my dreams  
Over my shoulder watching  
A bloodstained freezing stare  
Eyes of crimson watchful  
Eyes forever in my Dreams.

Into the Night, my astral demon ascends  
Through her visions,  
in bloodstained dreams  
I watch the Lunar Glow  
Eclipse to a crimson sphere

Somniumeus Nos Draconis  
Somniumeus Nos Sanguinolentus Draco - Inluminare!  
(dreams of the dragon spawn - dreams of the  
bloodstained Dragon - enlightened me!)

I rise unto the dreams of the Bloodstained Dragon

Awakened to a fathomless state,  
deep within my mind yet high as Mountains reach.

Upon a universe of a dimension endlessly;  
A shadowed kingdom that casts on the light of the day;  
A kingdom from which I heir in the Nocturne embrace;  
A kingdom that the Dragon roams.

In bloodstained Dreams of the Dragon  
Red as the blood in Lucifer's veins  
I enter the gate of the Master  
For the path I have trodden many fold  
Webbed throughout the cosmos  
like cobwebs of cemetery.  
like shadows in the nocturnal forest  
I find my soul wandering  
Behind me she is watching  
Her red eyes pierce the dark  
In my bloodstained dreams  
Where shadows spawn.
