Benighted ones rise like the flames of Paradise
burning to ruins.
Fallen is the throne with darkness overthrown ...the
light drifts away.

Glory to those who raise the Dragons
sign before the altar of chaos and chant the sacred
names,
that conjure the benighted.

Forever art thou
Eternal we live.
For there is life in the Blood
AZRAEL - release my immortal soul
I embrace the Angel of Death
Through the blood my soul is forever reborn.

The Blood that is forever shall flow throughout these
veins.
Awakened, and eternal;
thy kindred shall usurp and reign.

I rise unto the cosmos into the vast astral seas.
I embrace the darkness for all eternity.

Through the gates of rebirth I rise before thy deity
whom stirs in primordial Chaos.
Thou art spawned from the sea.

The Blood that is Eternal
of the Chaos Breed
Fills thy soul with hunger
to see thy prey bleed

Cold as the depths of Winter's frost,
our souls are ancient.
Awakened art thou to the world of spirits of the plane,
to walk the worlds eternally.
I am bestowed the pathway of the stars.
The path of the Serpent that guides me unto
everlasting life.
I drink the blood that is forever,

embracing the Scarlet Sacrament.
