I've walked the earth a million times
Always haunted by my crimes
Life in pain, sorrow and despair
Now there's nothing more to fear

I have felt a lot of pain
Always knew it was in vain
All of you standing in my way
Now it's time for you to pay

You can never give me warmth,
Because I got a heart,
Heart of stone
Heart of stone

I have seen (all) my dreams come true
Now when all those lives are through
I'm standing with the sword in my hand
(Standing with a bloody sword in (my) hands)
Now it's time to make a stand

I have felt a lot of pain
Always new it was in vain
All of you standing in my way
Now it's time for you to pay

You can never give me warmth,
Because I got a heart,
Heart of stone
Heart of stone

I have felt a lot of pain
Always knew it was in vain
All of you standing in my way
Now it's time for you to pay

You can never give me warmth,
Because I got a heart,
Heart of stone
Heart of stone

You can never give me warmth,

Because I got a heart,
Heart of stone
Heart of stone
