Welcome to kingdom of mine
In world of war against naturalism
Meet my ego-god
He and I hold power of three
In shadow of the horns
Lays weakness of mine
I follow the beast
Called nine

Identification with world of dichotomy: unavailable
Surrounding minds' status: dysfunction
Conclusion: alienation

O ohorela taba
/I made a law to govern/
Ol nore od pasbs
/my sons and daughters/
Ol zonrensg vaoan
/I delivered truth/
Od tooat nonucafe
/and furnished to you/
Gmicalzoma
/the power of understanding/

Spit and put mud on your eyes!

At altar of future my past is bleeding
Balance of deeds and purity of soul
Interrogation at confessing latrine
Of world's machinations no more!

Identification with world of dichotomy: unavailable
Surrounding minds' status: dysfunction
Conclusion: alienation

Introductory transmission
Of filthy truth for combination
Of your mind and flesh to serve yourself
