Water  
Surface  
Horizon  
Sky

And all are looking up to see  
The universal remedy  
Established phantom of the free  
The modern myth security

There is a line  
I drew a line  
Into the sand  
That line is fear

My mouth is bleeding  
Like a wound  
My mouth a wound  
I'm bleeding into you

Whispering down the lane  
Gathering, paralyzed  
Open-mouth society  
I wear you like a suit

Oh, mother earth  
Out of the water  
Out of sight  
I am the devil's crippled hand

Licking drips off lips leaving delicate lies  
Where the white rabbit goes, follows mankind  
Like a god spoken prayer  
They search, I teach 'em to find

Concern  
Devotion  
Shelter  
Sacrifice

A life

To lose  
What do you want from me  
You make a fool out of yourself
