"Sun; Colour; Black"

Visit "[Sun; Colour; Black](#)" on MotoLyrics.com

An owner of my own

A twisted thought my home

White: the noise

Sun; colour: black

Protagonize

Participate

World on fire, burning me

[Ref:]

A confession: Alone

Opposition: here

An internation: unknown

An indentation: fear

Disturber made of dirt

Each memory can hurt

Eyes: wide open

Mouth; distortion: pain

Freezing

Bleeding

Remain in silence, rest in peace
