Pressure to drink  
Has always been there  
And to smoke and use drugs  
But I don't care  
I don't feel the pressure  
Don't listen to those jerks  
I'm straight because  
For me it works

I'm straight, not because it's cool  
I'm straight, not some fool  
I'm straight, because I want to be  
I'm straight, can't you fucking see

Don't go to parties  
To get high  
Don't want to get drunk  
Don't want to try  
Won't smoke cigarettes  
To look cool  
Don't smoke pot  
I don't care about the rule

I'm straight, not because it's cool  
I'm straight, not some fool  
I'm straight, because I want to be  
I'm straight, can't you fucking see
