I Walk Alone This Lonely Street,
Passing Strangers That I Meet!
With No Purpose & No Meaning,
I Think I Just Lost All Feeling!
I Wont Follow The Lies I'm Fed,
I'd Rather Just Lie Down Dead!
I Wont Follow Your Demands,
So You Can Just Give Up! Give Up! Give Up!

I Can't Take This Government!
Do We Deserve This Punishment?
Together We Stand! Together We Fall!
Over & Out! Hell That's All!

Open Your Eyes & Take A Look,
As Each Chapter Unfolds Like A Book,
And Watch Them Run Away & Hide,
Behind A Curtain Of Their Lies!

I Can't Take This Government!
Do We Deserve This Punishment?
Together We Stand! Together We Fall!
Over & Out! Hell That's All!

There Are Many Stories I'm Told,
You Can Just Stop There Geting Old,
(I Wont Follow The Lies I'm Fed,
I'd Rather Just Lie Down Dead)
Just Me Alone This Night,
This Is My One Last Chance To Fight,
I Wont Follow Your Demands,
So You Can Just Give Up! Give Up! Give Up!

I Can't Take This Government!
Do We Deserve This Punishment?
Together We Stand! Together We Fall!
Over & Out! Hell That's All!
I Can't Take This Government!
Do We Deserve This Punishment?
Together We Stand, Together We Fall!
Over & Out! Hell That's All!

This Has Gone On For So Long,
I Don't See Things Changing!
(I Can't Take This Government!
Do We Deserve This Punishment?)
This Has Gone On For Too Long,
Think It Needs Rearranging!
(Together We Stand! Together We Fall!
Over & Out! Hell That's All!)

This Has Gone On For So Long,
I Don't See Things Changing!
(I Can't Take This Government!
Do We Deserve This Punishment?)
This Has Gone On For Too Long,
Think It Needs Rearranging!
(Together We Stand! Together We Fall!
Over & Out! Hell That's All!)
