I don't know, I don't know!

Where to go, where to go!

What to do, what to do!

Without You! Without You!

Left me here, left me here!

All alone, all alone!

You said no, you said no!

You won't go, you won't go!

She said, we would, go on,

She was wrong! She was wrong!

She would, be there, for me,

All the time! All the time!

She left, me for, that guy,

Made me cry! Made me cry!

She is, gone now, for good,

I don't care! I don't care!

Packed my bags, packed my bags!

Gone away, gone away!

Not much, not much!

To say, to say!

I have just, I have just!

Cut your brakes, cut your brakes!

Crash and burn, Crash and burn!

You will learn, you will learn!

She said, we would, go on,

She was wrong! She was wrong!

She would, be there, for me,

All the time! All the time!

She left, me for, that guy,

Made me cry! Made me cry!

She is, gone now, for good,

I don't care! I don't care!

She said, we would, go on,

She was wrong! She was wrong!

She would, be there, for me,

All the time! All the time!

She left, me for, that guy,

Made me cry! Made me cry!

She is, gone now, for good,

I don't care! I don't care!
