Some people laugh,  
Some people cry,  
Way too many,  
Good people die,  
This life that we lead,  
Is not so real,  
You can't tell me,  
How to feel...

Open your eyes,  
Open them wide,  
We rot away,  
From the inside,  
This game that we play,  
Is not so new,  
For me it's game over,  
Who'd have knew...

And we...

Know and we know,  
We can't go on,  
This has gone on,  
For way too long,  
I can't show I can't show,  
You the way back,  
I don't know the way back,

Your heart is as black,  
As the midnight sky,  
I gave you a chance but,  
Now it's goodbye,  
The chances you've had,  
Have all gone astray,  
There's no redemption,  
Now you must pay...  
And we...

Know and we know,  
We can't go on,  
This has gone on,  
For way too long,

I can't show I can't show,  
You the way back,  
I don't know the way back,

(Bridge)

And we...

Know and we know,  
We can't go on,  
This has gone on,  
For way too long,  
I can't show I can't show,  
You the way back,  
I don't know the way back,

Some people laugh,  
Some people cry,  
Way too many,  
Good people die,  
This life that we lead,  
Is not so real,  
You can't tell me,  
How to feel...
