I Fell, For You,
The First Time That I Ever Saw You,
You Smiled, At Me,
I Smiled Back & There Was Something There, (There
Was Something There),

Came From, My Show,
& Saw You Sitting All Alone,
But You Stole, My Voice,
When I Went In To Say Hello.

There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance &
There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance Now.

Dark Hair, Dark Eyes,
Pretty Face, I Want To Be The Lucky Guy,
Spending, His Time,
Falling In Love, & I Do Not Know Why.

There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance &
There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance Now.

If I Had That Night Again,
I'd Do So Many Different Things,
I'd Kiss You, & Hold You, & Keep You Close Until The
Rise,
I Wont Go Anywhere, Till You Tell Me To,
I Wont Do Anything, Until You Want Me To,
Look Into My Eyes, Think This Through Your Head,
Lean In Now, & Kiss Me!

There's, One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance &
There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance Now.

There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance &
There's One Hundred Things I Wish,
I'd Done With You That Night,
I'll Kiss You Next Time I,
Get That Chance Now.

Get That Chance Now,
Get That Chance Now,
Get That Chance Now,
Get That Chance Now!
