Sit by my side  
Come as close as the air  
Share in a memory of gray  
And wander in my words  
Dream about the pictures  
That I paint of changes

Green leaves of summer  
Turn red in the fall  
To brown and to yellow  
They fade

And then they have to die  
Trapped within the circle time  
Parade of changes

Scenes of my young years  
Are warm in my mind  
Visions of shadows that shine  
Till one day I returned  
And found they were the victims  
Of the vines of changes

The world's spinning madly  
It drifts in the dark  
Swings through a hollow of haze

A race around the stars  
(A race around the stars)  
A journey through the universe ablaze  
(A journey through the universe ablaze)  
With changes

Your tears will be trembling  
Now we're somewhere else  
One last cup of wine, we will pour  
And I'll kiss you one more time  
And leave you on the rolling  
River shores of changes

I'll kiss you one more time  
(I'll kiss you one more time)

And leave you on the rolling river shores  
(And leave you on the rolling river shores)  
Of changes
