You feel me coming
I'm gettin' closer
I want inside you
[I want to enter you]
You feel me pushin'
[Pushin', pushin']
The push and pulling
You feel me stretching you
[I want to enter you]

I will caress you
I will obsess you
I will possess you
[I will enter you]
I will caress you
I will obsess you
I will possess you
[I will enter you]

Won't
You let me
Inside of you

Oh, what I want
To be inside of...
I can hear you
I can feel you
Don't resist
I will taste you
I will be you
Don't resist me

Ahhhhhhh

You feel me coming
[I'm coming to you]
I'm getting closer
[Now]
I want inside you
[You, I want to enter you]
You feel me pushin'
[Pushin', pushin']

The push and pulling
You feel me stretching you
[I want to enter you]

I will caress you
I will obsess you
I will possess you
[I will enter you]
I will caress you
I will obsess you
I will possess you
[I will enter you]
