Hey hey hey baby
I wonder if you'd remember my name
I'm sinking in the sea, trying to get out
But I can never find my way.

I kick my shoe across the street
And it turns into flames
It's burning outside and I'm crying
'Cause I'm in so much pain
So much pain

And I can't keep up, I can't look down
And I can't stop and I can't be broken
Ooooh
So come on out with me yeah
'Cause I'm red red hot, and firey
Won't you come on out,
Won't you come out,
Won't you come on.

This is it, I'm all outta love
You know I can't change it
Yeah, I'm all outta love yeah yeah

This is it, I'm all outta love
You know I can't change it
Yeah, I'm all outta love yeah yeah

And I feel sometimes,
I feel sometimes
Baby not alright yeah

So come out tonight,
Won't you come out tonight
Won't you come out,
Would you come on out with me.

And I feel sometimes,
I feel sometimes
Baby not alright yeah

So come out tonight,

Won't you come out tonight
Won't you come out,
Would you come on out with me.

And I feel sometimes,
I feel sometimes
Baby not alright yeah

So come out tonight,
Won't you come out tonight
Won't you come out,
Would you come on out with me.

This is it, I'm all outta love
You know I can't change it
Yeah, I'm all outta love yeah yeah

This is it, I'm all outta love
You know I can't change it
Yeah, I'm all outta love yeah yeah
