(Feat. Paul Mac)

So why does it always feel like I'm the only one
The lonely one
And every-body else is insane
I thank you for pointing out where I am going wrong
Keep going wrong
And nothings making sense
Silent screams in my defense

[Chorus] (2nd time intrumental)
And the best thing about this place
Is it looks good from outer space
But there's nothing
Nothing, here for me
And the rules that you make never let me win
Cos I'm always a freak that can never fit in
Is there some place
Somewhere
Cos the best thing around is the road that leads out of
here

Na na na na na na na na na na na na na na na,
Na na na na, na na na na-a-a-a (3rd time X3)

Sometimes I wish that I could be a part of it
A part that fits
And people call me by my name
Pretend that I'm fascinated by what's going on
What wars were won
I promise that I'll be nice
And thank you for all your help and advice

[Chorus]
(No na na na's)

And when you look back at the photos of everyone
Of everyone
I wonder whatever become of that face
Stuck in the middle of your choice
So say goodbye as I walk
I'll send you a postcard from New York

[Chorus]
