Now you can bang it in the club if you wanna,  
You can bring your girl but IÂ'll probably take her from  
ya,  
So you better leave her at home, all alone she gonna  
call me on the phone  
2 a clock, telling me to come home,  
I cant help it (NA) its just who I am  
Call me faggot, to your bitch IÂ'm super man  
(itÂ's a feeling) how the fuck u gonna understand  
I cant help it nigga its just who I am

Girl I know you like the way I walk (Oh)  
And I see you tryin not to get to close, tell me baby  
So baby wont you take a ride with me  
And I can show you things I know you never seen  
So baby wont you come with me

{Chorus}  
IÂ'm not just a playa baby, these fuken rumours drive  
me crazy  
the player haters say IÂ'm sleazy, but IÂ'm  
misunderstood (babe)  
I know your girl friends say IÂ'm no good,  
I slept around girl coz I could,  
they say im arrogant coz i look good, but im jst  
misunderstood

I know you probably seen me around before  
So you seen the shit that I gotta ignore, around me  
baby  
And everywhere I go all I hear isÂ...  
Cris did that, or Cris did this, or Cris causing all kinda  
shit

Now what you want from me  
All there rumors that you be spreading they be hurtin  
me  
going around from town to town make u startin me  
I donÂ't know, ur big bro,  
But his friends wanna claim that I fucked his ho,  
OH NO, I donÂ't think so,  
The only bitches that I wanna fuck are my hoes

So you better check the cum stain on her clothes  
probably sail win the jeremy  
So case closed you know

So tell me who u think I am  
Coz IÂ'm just tryin to understand  
What you want from me  
IÂ'm not just baby

{Chorus} x3
