Yeah, all you [unverified] ladies  
Cristian, let's get 'em

Girl, you be checkin' on me  
And I wanna know if we cut, what it's gonna be?  
You fuckin' with the wrong  
Expect nothing less than diamonds, Benz, perfumes

One things for certain  
I'm searchin' for Mrs. Right Now, that's right  
Baby, if you like, I get you out of the night  
Put you in the little cute [unverified]  
There's a problem ma, I fell for you, ha, ha

I think we got a problem, she's too fine  
The way she works her body, man it's blowing my mind  
I know I'm not gonna be okay if she leaves  
And now she got me looking and she's staring at me

My situation's changed, all caught up  
And I wish that I can fix out  
And we're gonna get up, 'cause her eyes I can't resist  
I'd give anything to make her mine

She's too fine, she's so fine, she's too fine  
She's so fine, I'd do anything to make her mine  
Girl, work your body, you got me all hypnotic  
Girl, we get naughty, 'cause girl I want you back

If you want me, I'm tryna get to you  
There's nothing that I can do  
Everybody knows she's too fine  
She's so fine, too fine, she's so fine

I never thought I'd say this 'bout some girl  
I used to be a player but she's working my world  
I know she's not gonna be okay if I leave  
'Cause now her friends are stepping over, talkin' to me

My situation's changed, all caught up  
And a game that I can win now  
And we're gonna get up 'cause her ass I can't resist.

I'd give anything to make her mine

She's too fine, she's so fine, she's too fine  
She's so fine, I'd do anything to make her mine  
Girl, work your body, you got me all hypnotic  
Girl, we get naughty, 'cause girl I want you back

If you want me, I'm tryna get to you  
There's nothing that I can do  
Everybody knows she's too fine  
She's so fine, too fine, she's so fine

She look more like a beauty queen from a movie scene  
I said, girl I don't mind, what do you mean I am the  
one?  
She took my hand to the floor and we got it on  
The way she's shakin', man there's ain't no escapin'

We've got too many issues and too many games  
Got too many shoes to pack for two days  
A good thing is that I think she goes both ways

Head game me, brought two friends look like twins  
But let's play devil's advocate for one evening  
And handle my business [unverified] baby, why  
wouldn't I?  
You be everything your heart desires, you're so fine

She's too fine, she's so fine, she's too fine  
She's so fine, I'd do anything to make her mine  
Girl work your body, you got me all hypnotic  
Girl we get naughty, 'cause girl I want you back

If you want me, I'm tryna get to you  
There's nothing that I can do  
Everybody knows she's too fine  
She's so fine, too fine, she's so fine

Cristian, Rule, you know how we do it, ha, ha, woo  
Ah, ah, ha, ah, ha
