abandoned, without a word
trust, broken without hope
accused, seen as a loser
punished, the heart broken

i recall your smile - i recall your smile
endearing, the way you caressed me -
blazing, an endless sea of light

demolish, every thing once built
shattered, the escape from the unknown
wounded, affected till eternity
lost, what you once possessed

i recall your smile - i recall your smile
endearing, the way you caressed me -
blazing, an endless sea of light

without reason - tell me why? without words - tell me
why?
without desire - tell me why? without sorrow - tell me
why?

raped, by your own time
pensive, loneliness remains
expecting the inner sense
fading, your voice dies away

i recall your smile - i recall your smile
endearing, the way you caressed me -
blazing, an endless sea of light

without reason - tell me why? without words - tell me
why?
without desire - tell me why? without sorrow - tell me
why?
tell me why? tell me why?

endearing, the way you caressed me - blazing, an
endless sea of light

without reason - tell me why? without words - tell me
why?
without desire - tell me why? without sorrow - tell me
why?
