Wrapped around each other
Trying so hard to stay warm
That first cold winter together
Lying in each others arms

Watching those old movies
Falling in love so desperately
Honey, I was your hero
And you were my leading lady

We had it all
Just like Bogie and Bacall
Starring in our old late, late show
Sailing away to Key Largo

Here's looking at you kid
Missing all the things we did
We can find it once again, I know
Just like they did in Key Largo

Honey, can't you remember
We played all the parts
That sweet scene of surrender
When you gave me your heart

Please say you will
Play it again
'Cause I love you still
Baby, this can't be the end

We had it all
Just like Bogie and Bacall
Starring in our old late, late show
Sailing away to Key Largo

Here's looking at you kid
Missing all the things we did
We can find it once again, I know
Just like they did in Key Largo

We had it all
Just like Bogie and Bacall

Starring in our old late, late show
Sailing away to Key Largo
