I can still remember yesterday  
We were so in love in a special way  
And knowing that you love me  
Made me feel, oh, so right

But now I feel lost,  
Don't know what to do  
Each and everyday I think of you  
Holdin' back the tears  
I'm trying with all my might

Because you've gone and left me  
Standin' all alone  
And I know I've got to face  
Tomorrow on my own  
But baby

Before I let you go  
I want to say I love you  
I hope that you're listenin'  
'Coz it's true, baby,  
You'll be forever in my heart  
And I know that no one else will do  
So before I let you go  
I want to say "I love you"

I wish that it could be  
Just like before  
I know I could've given you  
So much more  
Even though you know  
I've given you all my love

I miss your smile, I miss your kiss  
Each and everyday I reminisce  
'Coz baby it's you  
That I'm always dreamin' of

Before I let you go  
I want to say I love you  
I hope that you're listenin'  
'Coz it's true, baby,

You'll be forever in my heart  
And I know that no one else will do  
So before I let you go  
I want to say "I love you"

Letting love go is never easy  
But I love you so  
That's why I set you free  
I know someday, somehow  
I'll find a way  
To leave it all behind me  
Guess it wasn't meant to be  
But baby

Before I let you go  
I want to say I love you  
I hope that you're listenin'  
'Coz it's true, baby, oh yeah  
You'll be forever in my heart  
And I know that no one else will do  
So before I let you go  
I want to say...  
So before I let you go  
I want to say "I love you"
