Condescending Ways by Cristy Spiteri Â©

VERSE 1

Think you'll be the same today
Think you are perfect could not fail
Pick up the pieces of your Condescending Ways
Tell me you could do no wrong and putting everybody
down
I can't say that you're higher than the rest, dismissing
everything
Just not comprehending

CHORUS

I've had enough of putting up with all your constant
patronizing
The same today not gonna change them little
Condescending ways
Your holding back, think your on track
Don't think that you are seeing clear
The same today not gonna change
Them little Condescending, your little Condescending,
Those little Condescending Ways., those little
Condescending

Oh, oh, oh oh

VERSE 2

Your coming round finding your chasing them away
Thought you were so superior know everything
Till you ran out of time, got left behind
You took the test, got second best
Thought all the time you were sublime
The same today, not gonna change
Those little Condescending Ways

CHORUS

I've had enough of putting up with all your constant
patronizing
The same today not gonna change them little
Condescending ways
Your holding back, think your on track
Don't think that you are seeing clear
The same today not gonna change

Them little Condescending, your little Condescending,
Those little Condescending Ways.
I've had enough of putting up with all your constant
patronizing
The same today not gonna change them little
Condescending ways
Your holding back, think your on track
Don't think that you are seeing clear
The same today not gonna change
Them little Condescending, your little Condescending,
Those little Condescending Ways.
