{Refrain}

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry no more

{Intro}

Once I rose above the noise and confusion
Just to get a glimpse beyond this illusion
I was soaring ever higher
But I flew too high

Though my eyes could see I still was a blind man
Though my mind could think I still was a mad man
I hear the voices when I'm dreaming
I can hear them say

{Refrain}

Masquerading as a man with a reason
My charade is the event of the season
And if I claim to be a wise man, well
It surely means that I don't know

On a stormy sea of moving emotion
Tossed about I'm like a ship on the ocean
I set a course for winds of fortune
But I hear the voices say

{Refrain}

{rap}

The world seemed to me as a young child, so beautiful
and majestic
But my heart was crushed by your agenda, made it
frigid and aniseptic
I screamed just to see if I existed, a blanket of silence
surrounds me,
I crawl into my sanctum, toss a key and shut the door
around me
Every day I live to see the sun rise, to give me hope

eternal

I have a spiritual hunger, I need to feed my soul

I look for the key that I discarded, and open the door
wide

Now it's time to take that first step out, and let the light
inside.

Carry on, you will always remember

Carry on, nothing equals the splendor

Now your life's no longer empty,

But surely heaven waits for you

Carry on my wayward son

There'll be peace when you are done

Lay your weary head to rest

Don't you cry (don't you cry no more)
