Verse 1:

Visions Of You
In Daylight I Dream
Reflections In Water
My Love Is A Stream
Can't Free The Desire
The Passion Inside
I'm Burning With Fire
Waiting As The Day Turns Into Night

Chorus:

In Your Eyes!!! - Everything Is Clear
There's Nothing More To Fear
The Love Is In Your Eyes
Everything Is Clear
There's Nothing More To Fear
The Love Is In Your Eyes

Verse 2:

Walking On Water
Can't Touch The Ground
I Reach For The Sky
My Life Is A Sound
It Pumps Through My Mind
The Voice That I Hear
I've Seen Through Your Eyes
Now Everything Is Clear

Chorus

Repeat Verse 1

Chorus
