{Talking }

Girl: I don't know if I'm ready for this, Do you really love me?

Boy:Of course I do, I will love you forever.

Jane was good or so she thought
GAve herself to a man why not?
No one got hurt, just showing her love
It's not liek murder to god above

It's a sign of the times
We diminish this sin
Why would God condemn
If they end up married in the end?

Eve was good or so she thought
She ate the fruit that God said to not
No one got hurt just bad advice
It's not like murder not much vice

It's a sign of the times
We diminish this sin
Why would God condemn
If they end up married in the end?
