I had a dream last night
I was standing in a sea of white
The calm warmed my soul
And made me feel whole
Then I saw a shadow
Fliker like a distent crow
It made a stain
That spread like acid rain

Kyrie eleison
Christe eleison
Kyrie eleison
Lord have mercy

The anger welled so deep
But all I could do was weep
And before my eyes
I saw a crow arise
They saw a blemished scene
Thet saw none of what had been
I bbegged for them to stay
But then they turned grey

Kyrie eleison
Christe eleison
Kyrie eleison
Lord have mercy

Then the holy one
Touched me and he was gone
The purity flowed through me and into the sea
Then others just like me
Restored the white back to the sea
The calm warmed my sould
And made me feel whole
