Living your life bieng ruled by time  
Rushing to work, can't even spare a dime  
Toa poor old man living on teh street,  
Who has not shelter from teh snow and sleet

So see the truth that you not found,  
Plant your feet on solid ground  
Put your trust in God above  
Live in his abiding love  
It's not just money you need to save,  
Shake off your bonds your not a time slave

There is no point living at this pace  
You can not win the human race  
One of these days you'll look back and find  
It's too late your out of time

So see the truth that you not found,  
Plant your feet on solid ground  
Put your trust in God above  
Live in his abiding love  
It's not just money you need to save,  
Shake off your bonds your not a time slave

{Bridge}

On and on your own  
Just barley in control  
Take a minuet just to be  
Are you afraid of what you'll see?

So see the truth that you not found,  
Plant your feet on solid ground  
Put your trust in God above  
Live in his abiding love  
It's not just money you need to save,  
Shake off your bonds your not a time slave

So see the truth that you not found,  
Plant your feet on solid ground  
Put your trust in God above  
Live in his abiding love

It's not just money you need to save,  
Shake off your bonds your not a time slave
