WERSE 1:Sitting in the dark,
Thinkin about you.
Lying in my bed,
Thinkin about you.
Looking at your picture,
Thinkin about you.
Trying to figure out
Where we went wrong

CHORUS:Please tell me
What went wrong?
I'm still wondering,
Why I sing this song.
If only you would tell me,
Why we were wrong.

VERSE 2: Sitting in the dark,
Talkin about you.
Lying in my bed,
Talkin about you.
Looking at your picture,
Talking about you.
Trying to figure out
What I've done wrong
