Raindrop falls from the sky  
A heart beats softly  
About to die

Wandering alone at night  
Waiting for the  
Storm to pass away

[CHORUS]  
Oh, baby  
Don't let the rain fall down on me  
Have you no time to listen  
Don't let it wash away the memory

A teardrop falls to the earth  
In all this rain  
What is it worth

Time heals sadness  
But this rain can turn  
My sorrow to gladness

[Repeat CHORUS]

Oh, no, oh, no, oh no

Oh, baby  
Don't let the rain fall down on me
